*Leanne Ryba
1968-1985*

In Memory of Our Classmate and Friend

On May 21, 1985, we learned that a member of our class had been taken from us. Although she is not with us today, her memory will live in our hearts forever.

In Leanne's memory, the Class of 1986 dedicates this yearbook to her.

Her contributions and talents were many. Active in the Drama Club, Speech and Theatre Workshop, and Cranberry Players, Leanne showed much promise for a brilliant future. Always optimistic, kind, and caring, Leanne is truly missed by all of us.

May the Class of 1986 hold her memory dear and never forget all she meant to us.

A Message for Leanne

Leanne was the sister I never had. Whenever I was down, she would make me feel glad. She would buy me a flower, along with a card, that said "I love you Cheryl. Don't take things so hard." We had so many good times, oh why did they have to end? How could anyone do this to my very best dearest friend?

Whenever I needed a shoulder to cry on, she was always there. Or whenever I just needed to talk, she would listen and really care.

I loved Leanne Ryba. She was the definition of a dear true friend.

LOUIE CHING VISITS MHS FROM THE PHILLIPINES

Being an exchange student in a foreign country is not easy and as one, I had my share of misfortunes and memorable experiences. To come to a very great country you know very little about, except what you have seen in the movies, heard in the news, or read from books is hard. When I came here, I did not know what to expect, what to do, what to say, or how to make friends. I was not even sure if I wanted to be here, but after my first day in MHS my doubts and fears soon changed when I was able to make friends and talk to my new classmates. When I first walked through the schools' corridors, I felt the most terrible

feeling I had ever experienced. The feeling of not belonging and the fear of rejection soon disappeared when someone came up to me and said "What's up?" Because I was not sure what this American kid was talking about, I just nodded and smiled. I think that was the first thing I did right in MHS and I will never forget that those two words made me comfortable to be here.

It had been a great privilege and a rare opportunity to be sent to live in Middleboro as an exchange student because I was not only able to improve my English but also I was able to

learn many things I did not expect to learn. Being from a different culture, I always thought that Americans are very different, but after three months in the high school and living with an American family, I realized how people could be different and at the same time very much alike and how friendly they can be.

I am also proud to be with the MHS Class of '86. I owe a lot to those people in the class who made me feel that I belong with them. My exchange here has been a very memorable one to me and it is because of the teachers and my schoolmates who I know and who accepted me as part of them.

THANK YOU VERY MUCH TO
YOU ALL!

ROZAN LANGLOIS SPENDS SUMMER ON MADEIRA

I spent half of my summer of '85 on Madeira Island. Madeira is located off the coast of Portugal and is a mountainous area except for the cities and the valleys.

My trip to Madeira was an experience I'll never forget. I met several nice people and made many new friends. The atmosphere was very relaxed. However, only being able to speak a little Portugese made it very difficult for me to talk to some of the people. Half of the population of Madeira knows English as a second language, so my relatives and friends helped me out once in a while.

The tropical climate of the island lasts all year, so people spend most of their spare time at the beach. So did I after my sightseeing was over. I found that there were still many heavenly bodies to look at at the beach!

The cities of Madeira are very clean and very busy. The fashion and music are a few steps ahead of America, which is why I found only 5¢ in my pocket when I returned to Boston.

I have three teenage cousins in Madeira which caused me to discover that teenage life in Madeira is much different. The teenagers do not have a curfew and there isn't a drinking age. This also made the trip much more interesting for me.

During the month I spent in Madeira I met a very close friend named Roy. Even though the distance of our countries has separated us we are still very close in thoughts and letters. I have told him about the SUPERIOR CLASS OF 86 and hopefully, in the future, he will be able to meet some of you. It was a summer I wish lasted forever.

Rozan Langlois

During the summer of my Sophomore year, I travelled eight European countries (in 21 days) with the 1984 Youth of America Concert. We spent four days in intense rehearsals before departing.

Unto itself, Europe was a fantastic experience, but with the added exhilaration of performing in such places as the Westminster Cathedral in London, La Madeline Church in Paris, the Musica Theatre in La Chaux de Fonds, Switzerland, and the Hofgarten Pavilion in Innsbruck, Austria, it was absolutely incomparable.

While staying in Europe I saw such sights as the Dachau concentration camp, St. Mark's square in Venice, and the Colosseum in Verona. While in Paris, I was able to take the elevator to the top of the Eiffel tower — twice! We also toured the Palais du Versailles, the home of Louis XVI and Marie Antoinette. While in London I saw the changing of the guard at Buckingham Palace, Trafalgar Square and Picadilly Circus with its nearby Carnaby Street, the Mecca for many punks or "skinheads." Finally, in Holland, we toured Delft, made internationally famous by its popular blue and white porcelain Delft ware. In Suirhuisterveen, Holland, we were greeted at a planned reception by our host families with whom we'd be staying for the next two days. After a farewell concert at the nearby church, we began our 28 hour trip back home.

I believe that I grew up more in those 21 days than during any other single period of my life. To be treated as royalty — as international youth ambassadors as we were in Touhout, Belgium (where we were given a dinner reception by the Burghermeister) is one experience I will surely never forget. I thank all of the people of Middleboro and especially the MHS Speech & Theatre Workshop for all of their time and dedication in helping me raise money to take part in the tour.

MESSAGES TO THE SENIORS

DR. LINCOLN D. LYNCH
Superintendent of Schools

Message to the Class of 1986:

Throughout our lifetimes we are going through doorways. They give us the opportunity to grow through learning and experience. You will have a choice of doorways. Should you find one closed — don't become bitter; try another and a little later the first choice may then be open to you.

Remember, God never closes one door but that He opens another which may indeed be the best for you. Trust in Him and keep trying.

MR. WILLIAM S. WASSEL
Principal

Your class has shown a togetherness and a vitality from the first day you entered M.H.S. a few short years ago. This class energy has set you apart from your peers and each of you should be proud to be part of the CLASS OF 1986.

We, the faculty and administration of M.H.S., certainly have enjoyed having you as part of our school and hope that we have been a positive influence in your maturation of becoming an adult.

We wish you the best in whatever career you choose to pursue in the future.

ERIN HEGARTY wrote captions, chose pictures, and kept us organized.

MIKE HILTON and BRIAN PARSONS were editors; they kept this book sane.

DONNA McCARTHY did a great job with collecting and organizing senior information.

BRIAN HEAPS was an important assistant in all our endeavors.

TOM VERRE is responsible for the fantastic artwork.

CHRIS HOLM did lots of things.

LYNN WASHBURN organized the Senior Section and did just about everything else. A good title for her would be editor and chief organizer.

To the 1986 Timaron Staff:

Thanks for being such a humorous, hardworking, and caring group of people. The Class of '86 can be proud of your effort and dedication to this yearbook. There has never been a staff like you — everyone of you is special. You've made Timaron '86 so much fun!

The MHS band is the spirit of the school, bringing enthusiasm to both students and staff. Band represents the school in sports activities, local parades, concerts, and throughout the state at music festivals. Team work is as important in music as it is in sports. Hundreds of rehearsal hours are spent preparing for a performance, so the musicians must be able to work together as well as play together. MHS musicians have SPIRIT!!!

GIRLS' SOCCER

This was the first season for a Girls' Soccer team at MHS. The team showed a lot of spirit and always came off the field proud to be Sachems. Their record reflects the effort and enthusiasm the girls demonstrated for MHS's newest sport.

It was a disappointing season for the Varsity Football team. Although the Sachems outscored their opponents 209-107, the final record was 5-5. The five games were lost by a total deficit of 15 points. Thus, in spite of some stunning victories, the season will not be remembered as a winning one. With many Varsity stars returning and a large number of Freshmen participating this year, there is optimism for future seasons. This year's Seniors will be missed greatly, particularly in the defensive backfield and will be remembered as one of the hardest hitting bunches of insane kids MHS varsity football has ever seen.

This year, the Sachem Wrestling team had an exciting season. The team, although a young one, wrestled a lot of close matches and earned an impressive record. Inspired by Senior four-year Wrestlers Russel Enos, Derek Wassel, and Craig Wiedl, everyone contributed to the team cause, and was rewarded with wins over many highly-ranked teams.

The Wrestling team thanks Coach Berry and Assistant Coach Longhanbach for their dedication and leadership.

The girls' basketball team, the Lady Sachems, have progressed from a group of girls playing basketball to a team playing **together**. Under the coaching of Mr. Denise, the girls experienced different facets of playing on a team. While the wins and losses weren't spectacular, the girls stuck together and that's what makes a team great. Good luck next season, Lady Sachems!

May your road of life be paved
with joy and success.

May the obstacles you encounter
cause you to excel in your endeavors.

May you understand that by
giving of yourself, you receive
the reward which is life.

You take with you, our hope that
through you, the world will be
a better place for all.

Good Luck!

*It's been a long, hard road
And we've traveled far and wide
To get where we are,
To no rules did we abide.*

*And now that we are here
in the highlight of our life
We turn and reflect upon
Our agony and our strife.*

*But, compared to all the fun we've had
There's no comparison at all.
The good times always come out on top,
In fact, we had a ball.*

*I love the people I grew up with;
I'll love them to the end.
No matter how far away they get,
they'll always be my friends.*

*As we enter a new stage in life,
I'm scared to leave my home.
I'll miss my family, but my friends
Together we shall roam.*

*They will not be there in a physical sense
As they have always been before.
But they will be there in my heart and soul
Which counts for a whole lot more.*

*As the school year draws to a close,
I must tell you one and all,
I'm glad that you were here with me,
In the classroom and the hall.*

*Now, as we go our separate ways,
Some people may call us "hicks,"
But always remember that we're the BEST.
We're the Class of Eighty Six!*
